Roadmap Supporting Documentation Template

****One Category per Sheet****

- Transformational Leadership
- Structural Empowerment
- Exemplary Professional Practice
- New Knowledge, Innovation, & Improvements

Description/Details of Activity:

Recognition by patients and teammates for helpfulness, outstanding care, and willingness to help. Daisy award nominations are submitted by patients and their families for what they feel is need for the nurse to be recognized by the organization for going above and beyond. Rounding comments are for the management team to hear good things about their team. Shining stars are recognition from our peers on who we are.

Serve as a floor charge nurse by assisting other nurses, creating schedules for upcoming shift, monitor staffing as patient load changes, and assisting in code blues on other hospital floors.

April 2022 – Way to go TEAM 😊

June and Lauren are awesome! Staff are #1,

Jessica was awesome!

. The nurses on this floor are just as exceptional

Anne has been great. I like to give her a hard time.

Anne is simply fantastic. I was so lucky to have her all weekend. She is so knowledgeable.

Lauren and Tammi gave me a full bath, washed my hair and cleaned between my toes. It felt so good.

December 2021 – Finally got to add these, so now all caught up.

We missed working with PT yesterday and June took the time to work with him and it really helped.

Susanna is super nice, does a good job. June Miller is sweet. Was outstanding today. And we can't forget Brenda Bennett. She did a great job today.

Mariya is a wonderful nurse. She is very particular and lets me know what she's doing. All your staff here is exceptional.

Hannah was my nurse last night and she was awesome. Sherries is my nurse today and she is also very attentive.

Debi just has been so sweet, doesn't mind getting things for me. I always have a clean gown when she is here. She even got me a phone charger for my phone!

Rachel was so nice and attentive. I appreciate the extra time she spent with me.

There is a tall nurse her name is Ann. She's a pretty good nurse.

Beverly was a lot of fun. I appreciate her humor. She made my night

Kathryn went above and beyond last night. She came in constantly and repositioned and made sure she was comfortable. She is the best nurse we have ever seen.

I've had the same nurse, Mary Farry, the past 2 nights. She has been just wonderful! She has done everything I needed, within reason. She deserves a raise.

June is a wonderful nurse. She's moves swiftly and efficiently. Her tone puts you at ease. I just love her.

Audrey and Erin have been exceptional

Audrey makes me laugh as she is very upbeat.

Everyone does a good job but I'm partial to Jennifer Lamb. She has taken care of me before & again this time. She is just so nice & does a good job. She takes good care of me.

February 2022

1. Mary Farry was detail oriented , generous with her time and thorough
2. Debi just went above her normal duties, and hear I wanted coffee and she brought it to me before I had to ask.
Maria has been a Godsend! We have been blessed with her wonderful care everyday that she has worked. She knows everything about him, how he likes to sit, what he likes to eat, we couldn't ask for any better.
Anne and Carly have been excellent. I can see Anne's Training g in Carly. Carly is going to be a very good nurse.
3. Brenda is an exceptional nurse. You can tell she truly cares about her profession.

Liliana is an excellent nurse. Goes about efficiently and quietly .

Everyone has been good. Brenda just has done a great job! She welcomed me and is very attentive.

Hannah is a good nurse. She helped me to understand what I needed to do.

January 2022

4. Audrey has done a great job explain g what is going on with my care.

Wow, all the nurses are awesome! Kendra, Susanna, & Brenda on day shift have been awesome. I can't remember the night shift nurses name. They are just awesome, check in with me often.

5. Alison MacDonald wasn't my nurse today but she still stopped in to check on me. My nurse, Maddison was really super.

Excellent comments!!! I will catch up on comments from 2021 shortly. I will post these the first of each month!

Great job everyone! Wonderful and fun to read.

Rounding comments

March Comments

1. Lindsey is absolutely amazing. She is so attentive and even though she was not my nurse today she came and checked on me. The whole staff on this floor is upbeat and amazing. Kind and really caring.

I really enjoyed talking hunting with Kathryn. She made the night go by and broke up the monotony.

2. Amy and Karla were the best because they were easy to talk to and made you feel comfortable. That means everything to me being in the hospital
3. Beverly was just wonderful. Truly caring! Thank you so much for making a difference for this patient!

All the day staff is awesome but Debi is off the chart awesome. She is so good for patient morale and I just love when she walks in thr from. She could brighten up anyone!

4. Suzanne and Cindy were excellent.

Mary is amazing. She loves her job. Michelle has such amazing energy. When I thought it would be impossible to achieve a bath Michelle got me into the shower and really went the extra mile to make me feel better, and she succeeded. Amy at nights only focus is to go above and beyond. She is really great and I really appreciated her efforts.

5. Carly was so sweet. I mentioned that I didn't have anything to straighten out my hair she immediately brought me a comb and then proceeded to get me a toothbrush and warm washcloth. What a difference that made. Everyone on this floor is terrific.

6. Mariya is doing great at getting me out of here. Claude was thorough and a good nurse. And Audrey is excellent.
Staff are great here. Ashley M. is a great nurse and I have enjoyed her.

7. Sara L. is a phenomenal nurse she knows her stuff.

8. Beverly B. was just amazing last night. She is his sweetheart, & she stole our hearts!

9. Daughter came to find me to let me know how incredibly great the staff was during this difficult time. Patient doesn't want to leave. Everyone is great but that Anne is simply awesome and something else. She is a great nurse.,

Reason for Recognition: Teamwork

To: Anne Liskey

The Team Member Engagement Council is comprised of team members all over the organization coming together with the united passion of team members of Augusta Health. I just wanted to send a thank you to each and every one of them for being the voice and encouragement of so many. Thank you for your dedication and vision for the future. This next year is going to be awesome and I'm so happy to be a part of this council.
