

Jimmy,  
We hope you are pleased  
to welcome you to our  
family. Your compassion,  
generosity, kindness and  
hospitality were great  
and we hope you are  
able to find a good  
fit for your part members.

Having you to partner with  
our family and guide  
and love our team  
through these last  
moments brought us  
peace and a sense of  
pride knowing mom's  
wishes was honored.

Thank you for your  
kindness support. You are  
a gift to your family.  
A gift to your family.  
A gift to your family.

Your thoughtfulness  
is so appreciated.

Sincerely,  
Mick Duane
