Story:
My dad had lung cancer and was in Hospice care. He had 2 great nurses. 1'st was Ariel Kenny then she moved and Jenn came in. She was a very compassionate nurse for dad. He passed June 15th 2020 but I still think she deserves recognition for the job she does. Thanks Johnny Hostetter

Jenn,
I read your note on his recent death as I was just working on his CTI. Please know that you are always welcome to call me as a back up if you cannot reach the attending provider with any of our patients. I am available on the hospital's Vocera app. In this case, I am not sure I could have helped anyway and it looks like you handled a difficult situation very well.

Thanks,
Chris Heck, MD
